

Procurement Specialist (Indirect Procurement) m/w/d, Zürich

For our client operating in the automation industry, we are looking for a Procurement Specialist, who will support for indirect procurement activities (specifically in the implementation of Corporate Procurement strategies).

Your main tasks:

- * Support in development and ensures communication/implementation of Corporate Procurement strategies.
- * Improve areas such as Indirect Services, Risk Management and Supply Base Management.
- * Ensure implementation, maintenance and compliance of assigned Procurement activities and initiatives.
- * Support development and implementation of Global Procurement strategies for areas such as Indirect Materials & Services, Risk Management, Supply Base Management, Quality and Sustainability
- * Run eRfX for Consulting, Financial and Legal Services (Professional Services) and other indirect Services Categories.
- * Interact and manage senior stakeholders within the Organization.
- * Execute implementation of Procurement Strategies in close alignment with the relevant category teams and business stakeholders.

Your profile

- * Experience in indirect procurement
- * Fluent English
